

Maximum Attack

June 2009

Dear Member,

Only a short edition this month – where are your contributions?! Are you really that ashamed of your performances on recent events that you can't face up to some (always) friendly banter with your fellow members? Come on, let's be having you!

To those of you out there competing, marshalling, officiating or just plain spectating please keep your articles (with or without accompanying photos) coming in as we'd love to hear about your experiences – good, bad or downright bizarre!

Cheers,

Andy

URGENT – WALLASEY MOTOR CLUB ON THE LOOKOUT FOR NEW MEETING VENUE

The Queens Royal have now introduced a charge for us to use the upstairs meeting room, but say we can have the free use of the restaurant “alcove” on future Monday nights. This is not ideal, as the reason we moved there was to have our own meeting room which we could use to stage quizzes, events etc. and generally meet together.

Thus, we now need to find a permanent meeting room which we would have exclusive use of on Monday nights (if a suitable room could be found, but only available on an alternative night, would members be ok with this??)

Could anybody with any ideas regarding a suitable FREE venue please let any of the Committee members know.

2009 PRINTMATTERS PROMENADE STAGES RALLY – CALL FOR ADVERTISERS

The organisation for each year's Promenade Stages is an on-going process that starts almost as soon as the previous year's event finishes. As I'm sure you are all aware, staging an event like the Promenade Stages requires a considerable amount of money and the club tries to offset some of this expenditure through advertisements in the Event Regulations and Spectator Programmes.

The 2009 organising team are currently working towards the release of the regulations for competitors and officials at the beginning of July. If you, your company or anybody you know would be interested in advertising in the Regulations or the Programme, or both, can you please contact Paul Evans on 0776 970 3511 or Paul@Treatme.net

MARSHALS REQUIRED – CAMBRIAN RALLY, SATURDAY 17TH OCTOBER

Whilst it may be some way off yet, Wallasey Motor Club have again been asked to assist with the running of a stage on the Cambrian Rally, run by the North Wales Car Club. This year, we have been tasked with manning Stage 2 – Clocaenog Main – which will also be re-run as Stage 5 later in the day.

Put the date in your diaries now, and come along to lend a hand – especially those of you registered in the WMC championships who haven't marshalled on an event by then! Further details, including timings and OS map references, will be confirmed nearer the time.

BECOME PART OF MOTOR RACING HISTORY ... ON A "FAN POWERED" CAR

It's time for you to show your colours and declare to the wider motor-loving community that you are involved at all levels in the world of competitive car racing. We know you love getting to show your motoring talents at meets and like to be in the hot seat as much as watching others in theirs, and it is one simple step beyond to being a sponsor of a team that races on the TOCA British Touring Car package.

Running the British-built Ginetta G50 delivering 300bhp from its Ford front-mid mounted 3.5 litre V6 engine we understand the need to maintain a car to get the ultimate performance from it and the urge to be out there each weekend putting those driving skills to the test. It takes determination and a fair chunk of hard-earned cash to keep all our motors running.

Many motor racing and car fans have clicked the "Start Engine" button at www.joinYRC.com as they know that they get a real return for their sponsor investment. Discounts to spend on days and experiences they were going to do anyway such as £25 off of a track day! An innovative bunch of car and motor-racing followers they have not just put their own name and picture on the space they get on the car; it features club logos, cartoons, business names, charities and loved ones – human and metal!

10 lucky YRC fans, each with a friend, will be touring the Leeds-based factory of Ginetta to see these hand-built cars in production. All YRC fans **paid up by 30 June** are entered into the draw.

YRC's fans get an exclusive team cap and pin plus special offers on a number of days out, track days and experiences, travel electronic products and motorsport merchandise and entry into the monthly prize draws – a package which could be worth over £100 to you, without costing YRC a penny, so the season sponsorship fee of £25 really does go into getting the car on track.

For small businesses or groups who want to see their name over a wheel arch of the car for a weekend's meetings (and on ITV4 on the Sunday), Deals on Racing Wheels gives the benefits of five YRC fan packs, plus two race day tickets and a tyre signed by the YRC crew at the end of the day plus local press coverage. A very large paperweight for a reception desk or make it into a plant pot - definitely a talking point!! Email hannah@yourracingcar.com to get things moving.

YourRacingCar.com will next be out at Snetterton, Norfolk on the 1st (qualifying and two races) and 2nd (one race) August 2009 and if you want to be part of history in the making of the fan-funded car please go to www.joinyrc.com.
